My Breakfast

Read the text:

Hi! I'm Peter Swanton and I live in Newcastle with my parents and our lovely cat Pussy.

We live in a very big flat on the second floor. My room is not big but it is very comfortable for me. I like to spend my time here playing computer games or reading books.

I like a lot of things but I don't like mornings. I don't like to get very early in the morning. It is difficult for me. But let me tell you one story.

One morning my mum called me for breakfast. I was rather sleepy but I took a quick shower, combed my hair and appeared in the kitchen. The table was already laid and I saw that awful porridge cooked for me. I hated that porridge! I

couldn't eat it at all. I ate the fruit salad, drank a glass of milk but I didn't want to eat that porridge. When my mum went out of the kitchen I quickly opened the window and threw the porridge out of the window. When my mum returned she saw that there was no porridge on my plate. She was pleased and I was happy. Suddenly somebody knocked at the door. When my mum opened the door she saw a woman with that porridge on her head! My mum understood everything. She apologized and helped that woman to clean her hair. I was awfully ashamed. Of course, my mum punished me. But now I eat this porridge without any words.

Great White Sharks

One of the most feared animals in the world is the shark and the shark most people are afraid of is the great white shark. It gets its name from its white belly. The top of the great white is gray which helps it blend in with the rocky bottom of the ocean. Although some fish are bigger, like the whale shark, the great white can grow up to 20 feet long. Unlike the calm, slow whale shark that feeds on tiny fish and plants, the great white is speedy and aggressive. A great white's prey includes sea lions, seals, sea turtles and rays. They use their razor sharp teeth, not to chew, but to rip their prey into small pieces. They have hundreds of teeth that can grow up to three inches long. The great white does not have many predators in the ocean except for orcas and larger sharks. Humans, however, are its biggest threat. Sharks often get caught in fishing nets or humans kill them for their fins or teeth.

1. How do great white sharks hide from predators? _____

2. Name one way a great white is different from a whale shark.

3. How are humans harmful to great white sharks? _____

Aren't firefighters cool?

Yesterday I was playing videogames in my room when I heard people screaming. I went out and saw: my neighbors' house was on fire!

In less than 10 minutes the firemen arrived and fought against the fire for one hour until they made it. Wow! They are really brave! One of them entered the house and saved the Johnson's dog that was trapped in the fire.

I made a decision: I want to be a fireman when I grow up. I'll be strong and brave enough to fight against the fire, to save people's lives and property. I can't wait! I can already see it in the newspaper: "Brave fireman rescues a family of four", Mom will be really proud.

Mark true (T) or false (F). When it's false, you'll have to justify your answer orally:

The boy's house was on fire. ()

The boy thinks the firemen are brave. ()

He admires the firefighters. ()

It took long the firemen to arrive. ()

It took one hour to extinguish the fire. ()

The boy's neighbors have a pet. ()

A fireman saved the dog's life. ()

The boy wants to be a firefighter when he grows up. ()

He wants to be as strong and brave as the firefighters. ()

Answer the questions:

What was the boy doing when the neighbors' house caught fire?

Did he want to be a fireman before that day?

Why did he decide to be a fireman in the future?

What qualities does he think are essential for being a fireman?

What can he already see in the newspaper?

Who do you think the newspaper is referring to?

How does the boy think his mother will feel? Do you agree with him?
